

## Environmental Policy

We recognise the need to minimise our impact on the environment.

As such, we commit to the following framework of realistic actions and goals:

- The efficient use of water and energy.
- The efficient use of other natural resource.
- Responsible recycling and repurposing.
- Minimise waste and pollution.
- Minimise noise disturbance.
- Use non-toxic products whenever possible.
- Be aware and informed of environmental issues.
- Work with like-minded clients & suppliers.
- Comply with relevant environmental legislation.

Continually monitor our performance, and review ongoing practices.
