DATA PROTECTION DECLARATION

It is a requirement that East Preston Men In Sheds holds a member's name, home address, email address and phone number(s) in order to administrate membership procedures.

Under the new legislation called "General Data Protection Regulation" (GDPR), it is mandatory that new members opt-in to allow these records to be retained by the SHED.

When taking up your membership, YES / NO permission options have been incorporated into this adjoining Form. The new legislation requires that you consent to opt-in (or not) on having your information maintained by the SHED.

The SHED Secretary holds all the names, home addresses, email addresses and phone numbers of its members for communication purposes and membership renewal management. Occasionally, the membership list is issued to paid-up members for group-member communication use. This data will never be shared with anyone outside the SHED membership and will never be used for any other purpose by the SHED's officers.

Your name, email address and phone number will be passed on to the SHED Treasurer as a record for membership renewal and payment control.

If you consent for your information to be held on the SHED's master list, then please answer: YES / NO   (Circle your response)

If you consent for your information to be issued on the printed list of paid-up members, then please answer: YES / NO   (Circle your response)

Would you then enter you Name and Date (below) and answer the three remaining points on this Form and return it to the SHED Secretary.

Many Thanks
